Dear Colleagues,

WREF have partnered with ART Health Solutions in an ongoing Workplace Science Programme to deliver a fit for purpose Real Estate strategy that supports the changing needs of employees. We are building a pool of data across multiple GSK sites/business units to inform the Future Workplace Policy. Shanghai CH team members are selected to participate the program as one of initiatives of office consolidation project. *In terms of data collection, we will follow GSK privacy policy and a consent form will be sent to participant once the registration process is done.*

A 3-month study from mid Oct 2020 till mid Jan 2021 will be conducted by collecting participant device data. Project requires a maximum of 15 min per week of employees time.

### Benefit for participant

### How to participate:

150 volunteers selection will be on a **First Come First Serve Basis**. Places are limited so please register yourself by scanning below QR code before **COB September 23** to avoid disappointment!

### Next Step

An introduction townhall will be held for participants to share the device set-up process, consent form introduction in terms of personal data collection, and FAQ. There will be a Teams Group as a communication channel for any Q&As.
