## How do I give ART access to my Apple watch data?

You can grant access to your Apple watch data within the Omics app. Do to the Dashboard tab and follow the steps below

### **How often should I wear my Apple Watch?**

We advise you to wear your watch all of the time, including while you sleep, as this will provide valuable sleep data.

### **I don't have the sleep tracking on, how to I turn it on?**

### **How do I sync my Apple watch data?**

Your data will be synced every time you open the Omics app so open the app a couple of times a week.

### **Do you have an issue which hasn't been addressed?**
