Frequently Asked Questions

ART HEALTH SOLUTIONS

ONE WELLBEING

What happens to my data after the project?

Once a project is finished all your data will be anonymised. This means any identifiable information will be wiped. Please seen the consent form for additional information

Can my employer see my data?

No! We do not provide your employer with your data. Your employer will receive a monthly report which is made up of aggregated data from your company. Your employer will not be able to specifically identify you from any of the reports we provide the Omics app so open the app a couple of times a week

Do you have an issue which hasn't been addressed?

Please contact a member of the ART Health Solutions team at info@arthealthsolutions.com
